

# The Music Boyz

## Wedding Songs

Music will be provided throughout the entire duration of your reception. This may range from soft romantic music as your guests arrive, to all-time favorite dance songs that keep your guests entertained in an upbeat party atmosphere. There are also the songs to be played during family & bridal party introductions, cake cutting, bouquet & garter tosses, and of course the first dances of the evening.

In order to help make your selections easier, The Music Boyz have provided you with suggestions for many of the specialty dances and events throughout the evening. We have found these to be some of the most popular selections over the years. Keep in mind that these are only suggestions, and you are free to choose whatever songs you feel appropriate.

We hope these lists help make your decisions easier, or possibly give you ideas for other songs that you may prefer to use.
